Thanks Michelle.

I need an official response from the CAG on who will be attending. That is a follow up to the email I sent Ana and Doug yesterday. Can you please coordinate with them one comprehensive response as to who will be attending?

Good afternoon Jennifer,

I wanted to reach out to you to let you know that I will be taking Debbie Mans' place on the Passaic River CAG.

I'd also like to attend the CSTAG meeting on March 1st, and I hope that it isn't too late to add me to the attendee list. I don't need to present, I only want to attend to hear the thoughts from EPA and the presentations from other stakeholders.

Thank you,
Michele
